Welcome to Baptcare St Hilary's Community

What you can expect at Bapcare St Hilary's Community

St Hilary's is a small, close-knit aged care community that offers all the comforts of home. Our friendly staff – many of them locals – make sure you always receive the best of care and support, tailored to your needs.

We provide all levels of residential care (low to high), as well as respite care and end-of-life (palliative) care.

We encourage and support our residents to remain active in body and mind. Our bus trips, garden visits, shopping outings and lunches in the local community give our residents plenty of options for getting out and about.

Our community is run by Bapcare, a not-for-profit organisation with more than 70 years of experience in caring for older people.
