Our Child Safety Policy

- Every child has a right to be safe
- Baptcare is committed to child safety (people under 18 years)
- We don't accept any sort of mistreatment to children
- We have systems and processes to keep children safe
- We employ people who are safe to work with children
- Our staff have the skills and knowledge to keep children safe
- We listen to what children tell us and take action
- We empower children to be who they want to be
- We have a strong commitment to children's privacy
- We help all children to speak up if they have concerns
- We support children to enjoy their culture
- Children have the right to be safe online, at home, at school and in the community
