A welcoming sense of home in Werribee

As one of Baptcare's newest locations, Wattle Grove offers modern facilities with the feeling of a well-established community based on strong and supportive connections.

You'll find us nestled between the suburbs of Thomastown, Lalor, and Epping. We're close to nature—with the beautiful Whittlesea Public Gardens nearby which are perfect for afternoon strolls or play time with visiting grandkids—but with convenient amenities right on our doorstep. Cafes, shops and the Epping Plaza are just around the corner.

It's a diverse area, with plenty of flavour and colour from different cultures, and that's reflected in our own community too. Wattle Grove has strong representation of Greek, Italian, and Macedonian cultures.

We can't wait to meet you and celebrate your story too.

We're a thriving community at Wyndham Lodge

The idea of 'home' changes for every person. That's why our approach is uniquely tailored to your personal story, needs and preferences.

It's critical that we listen to you and understand what exceptional care means to you and your family.

We start by asking: What are your favourite parts of your daily routine? What makes life meaningful for you? What support do you want or need?

You'll see and feel the benefit when you visit us at Wyndham Lodge. Every person is supported to live with joy and independence in the way that is most meaningful for them. That's what makes us such a strong community.

Together, we enjoy a full activities calendar designed to support each resident socially, cognitively, spiritually and physically. As with everything here though, it's all about your choice and the things you love to do.

Live well, your way

Living well looks different for everybody. ✨

Whatever you love to do—whatever makes your day and makes life meaningful—we're here to make it happen.

Some of the hobbies and activities we support residents with include:

- Anne's creativity shines through the diamond artworks she makes in the lounge each day. They're popular with residents and visitors, and Janette loves to give each work a new home almost as much as she enjoys creating them.
- Dorris finds playing piano takes her back to remember treasured moments in her life, so we support her to play throughout the day.
- Thirty years ago, Judy would take her home-grown orchids to the bank each week. One of the tellers, Margaret, asked if she could meet Judy and learn to grow the flowers too. From this brief meeting, a beautiful friendship blossomed. In exchange for orchid tips, Margaret taught Judy how to paint. To this day, every Monday, Margaret visits Judy to maintain the lessons and they paint together over afternoon tea.
