A lively coastal community on the peninsula

Discover a truly unique community at Peninsula View Residential Aged Care. Located on the peaceful fringes of Frankston and Mount Eliza, Peninsula View is a welcoming coastal community where you can soak up the sun and fresh air of the peninsula.

There's plenty of lush greenery around, both surrounding us and carpeting the grounds of our community. With sweeping views of the Moorooduc Plains and the Frankston Nature Conservation Reserve just around the corner, you'll hear the song of birds in the morning and evening. Or be able to spot them in our blossoming trees while relaxing in the courtyards with friends and family.

The corridors of our community are equally as lively. You'll see plenty of smiles and feel a warm and welcoming community, where everything is designed to support your happiness and independence.

Peninsula View Community is also co-located with Baptcare's well-renowned and highly regarded Peninsula View Retirement Living apartments.

We're a thriving community at Peninsula View

At Peninsula View, every day is uniquely designed around you, because that's what exceptional care looks like.

We're a close-knit and connected community, but we know—and celebrate—that every person is different. So, we take the time to learn your story, understand what makes life meaningful for you, and then support you to ensure it's part of your lifestyle each day.

You'll have access to the high-quality care you need for peace of mind, and support to embrace your favourite activities, passions or even just the little things that make a place feel like home. Whether you prefer to get involved with our bustling schedule of activities, nurture your love of time spent developing the garden, or just have a chat with friends while soaking up the sun and sea air in the wide-open spaces of our home, you'll have the support, independence and care to live your way.

Live well, your way

Living well looks different for everybody. ✨

Whatever you love to do—whatever makes your day and makes life meaningful—we're here to make it happen.

Some of the hobbies and activities we support residents with include:

- Art and gardening are both very popular here. Sometimes, we even mix the two: we have terraces where residents love to unleash their creative spirit, with hanging gardens and wall gardens on location too.
- We love to support people in safely heading out into the community, with a community bus that frequently heads to the beach, cafes in Frankston and Mornington, parks and shopping centres.
- Furry friends are very popular here at Peninsula View, and we have visiting pups regularly on site from Monday to Friday. They very rarely need to ask for a pat or some attention!
- We have regular concerts and entertainers, including musical performances and dancing. The most popular crowd favourites always get a second gig.

I could have other than home.”***

Spaces to connect and catch up

We have spacious dining rooms, a comfy loungeroom, and plenty of cosy spaces to relax with a book or a cuppa. There's also a guest lounge you can book for birthdays or other events, with a beautiful outlook.

Spiritual Care

Spiritual care is a huge part of life for many at Peninsula View. We honour your unique spirituality and how you find meaning and purpose. Our chaplains can assist with prayer, worship, sacraments and other forms of spiritual devotion.

Library

Soak up some peace and quiet in your own cosy library and immerse yourself in another world by reading a classic or discovering a new favourite. We have plenty of both in our expansive collection.

We have over 80 years' experience

We've spent the better part of a century listening to and meeting the needs of older people. Today, we offer a range of aged care services – including home care, residential aged care, respite care, and retirement living – as well as support services such as nursing and allied health, day therapy centres, short-term respite centres and social activities so you can be assured Baptcare will provide care in a way that's right for each and every individual journey.

We appreciate that everyone is different

Our services are based on an individualised model of care, which means our clients determine how much of a presence they want us to be in their lives.
