Enjoy a warm welcome in Warragul

Baptcare Abbey Gardens is nestled on the western side of Warragul, with the rolling greens of Strachan Park and a babbling stream running just behind our location: it's perfect for a peaceful afternoon stroll.

A happy, welcoming and energetic community, you'll find us midway up the gentle hill of Tarwin Street, offering picturesque views out over Warragul. We're just a short drive or bus ride to the town centre, with restaurants, cafes and shopping strips aplenty.

Or if you prefer to relax and take in your immediate surroundings, Western Park Recreation Reserve is just across the road. There, you'll find playgrounds for the grandkids and the home ground of the Warragul Football and Netball Club, if you like the action of game day!

We're a thriving community at Abbey Gardens

Everyone is welcome at Abbey Gardens, and we know that everyone is different. That's why our approach to care is based on your personal story and preferences. What is meaningful to you? What does a good day look like? Whatever the answer, we're here to make it happen.

In addition to high quality care and support, we have a bustling calendar of social events posted up each week. Our halls are often ringing with the sound of visiting grandchildren laughing and playing, or scheduled entertainers.

Or, there's plenty of support if you prefer to relax and take things at your own pace. Whatever living well means to you, we're here to fill your day with fun, meaning and purpose. We hold regular meetings to listen to your feedback and tailor activities and events based on the things you love.

Live well, your way

Living well looks different for everybody. ✨

Whatever you love to do—whatever makes your day and makes life meaningful—we're here to make it happen.

Some of the hobbies and activities we support residents with include:

- Trips to nearby Neerim South for ice cream from local producers. With fond memories of farming life, many residents love to reminisce and take a moment to reflect on their roots in the area.
- Some residents love the ballet, so we organise trips to West Gippsland Arts Centre for concerts and events.
- A close-knit group of ladies run their own recurring social night, supported by volunteers. It's always decorated beautifully, featuring after-hours ballet and ballroom dancing performances.

Why should you choose Baptcare to support you as you age?

We have over 80 years' experience

We've spent the better part of a century listening to and meeting the needs of older people. Today, we offer a range of aged care services – including home care, residential aged care, respite care, and retirement living – as well as support services such as nursing and allied health, day therapy centres, short-term respite centres and social activities so you can be assured Baptcare will provide care in a way that's right for each and every individual journey.

We appreciate that everyone is different

Our services are based on an individualised model of care, which means our clients determine how much of a presence they want us to be in their lives. And if their circumstances change, we change with them. Our aim is to enable people to remain as independent as possible so they can continue to live life the way they want to.

We treat everyone with compassion and dignity

All of our team members are carefully chosen. They are friendly, positive and dedicated. And they genuinely care – so they treat people with the compassion and dignity they would expect for a member of their own family.
