## Cost of Accommodation

### 1. Basic daily fee

The basic daily fee is payable by all residents. It is currently \$63.82 per day and is indexed by the Commonwealth government each March and September.

### 2. Means tested fee

The Means Tested fee is a fee payable by some residents. It is calculated by the Commonwealth government based on both your income and assets.

The fee is capped at the means tested amount or the cost of your care, the annum, whichever is the lesser. The fee is subjected to a lifetime cap.

The fee is reviewed each quarter by the Commonwealth, based on income and asset information held by Centrelink or Veterans' Affairs. Although this fee is collected by Baptcare it is paid to the Commonwealth.

For your Means Tested fee to be calculated correctly, please complete a Residential Aged Care Calculation of your cost of care form (SA457) available from the Services Australia website: [servicesaustralia.gov.au/sa457](https://servicesaustralia.gov.au/sa457)

It is not compulsory to complete this form, but if you do not you might be asked to pay the full cost of your care.

You will be advised of the correct Means Tested fee by the Commonwealth shortly after your admission. If we do not have sufficient information at admission to calculate the Means Tested fee, we may charge an estimated fee in the interim.

### Financial Planning for Aged Care

Baptcare encourage you to seek independent advice from a financial planner with expertise in residential aged care in regards to your personal circumstances.

## 3. Accommodation payment

We encourage potential residents or their families to contact us to discuss their situation. Residents can choose to make their accommodation payment in one of three ways:

1. A Refundable Accommodation Deposit (RAD). You can pay the room price in full as a lump sum amount. This amount is held by the home for the duration of your residency, and is fully refundable to you when you leave, unless you choose to have any of your fees and charges deducted from the RAD.
2. A Daily Accommodation Payment (DAP). You can choose to not pay the lump sum amount, but a daily interest equivalent amount added to your monthly fees. Please see below for examples of this payment method.
3. A combination of RAD and DAP. You can pay any portion of the RAD lump sum amount, and pay the remaining balance as a DAP equivalent. Please see below for examples of this payment method.

You can elect to pay the DAP as an additional fee each month, or to have it deducted from a RAD lump sum if you are making a combination payment. If deducted from the lump sum, this will reduce the RAD refund paid to you or to your estate. If the DAP or other fees are deducted from the RAD lump sum, you will be levied an additional interest charge. Please see below for examples of this payment method.

Any Accommodation Payment is due at the date of admission. If you choose to pay the RAD after admission, you will be charged interest on any unpaid amount. The interest rate is currently 7.78% per annum. The DAP is calculated using the same interest rate.

If you have less than the full accommodation payment in spare assets you could still pay the room price by choosing a combination payment. If the room price is \$510,000 you might pay a RAD of \$300,000 and a DAP equivalent for the \$210,000 balance starting at \$44.76 per day. You can choose to pay the DAP each month along with your basic fees, or have it deducted from the RAD balance.

However you choose to pay for your accommodation, it is advisable to obtain independent financial advice before making a final decision.

*If your combined income and assets are below the current limits specified by the Commonwealth that you qualify as a supported or low means resident, the accommodation payment is calculated by Services Australia. The government will review this quarterly according to any changes in your financial situation. This amount is called an Accommodation Contribution. **It is possible that this amount may be more than the advertised room rate.***

## About Amberlea Community

Nestled between green farming pastures on tree-lined Pearsons Road, Baptcare Amberlea is right near the heart of Drouin.

The gentle, rolling hills and paddocks surrounding us pay perfect homage to Drouin's history as a dairy farming region. On site, you'll find beautiful gardens and a homely, inclusive environment where everyone is welcome.

When you want to head out, we're conveniently less than a kilometre from the main roundabout in town. It's an easy walk to visit nearby cafes and shops, and along the way you'll pass beneath gorgeous red plumes of eucalyptus ficifolia: the flowering gumtrees our town is famous for.

## Baptcare – we have over 80 years of experience

We've spent the better part of a century listening to and meeting the needs of older people. Today, we offer a range of aged care services – including home care, residential aged care, respite care, and retirement living – as well as support services such as nursing and allied health, day therapy centres, short-term respite centres and social activities so you can be assured Baptcare will provide care in a way that's right for each and every individual journey.

### We appreciate that everyone is different

Our services are based on an individualised model of care, which means our clients determine how much of a presence they want us to be in their lives. And if their circumstances change, we change with them. Our aim is to enable people to remain as independent as possible so they can continue to live life the way they want to.
