

Karingal Community

Discover a truly unique community at Karingal Residential Aged Care. With gorgeous natural views and Mount Roland as a distant backdrop, Karingal is right in the heart of Devonport. We're close to shops and cafes, and near to many local schools: perfectly convenient for regular visits from the grandkids! You'll find us halfway up the gentle hill of Lovett Street, just high enough to feel refreshing hints of Devonport's coastal sea breeze.

Karingal is blessed with a convenient inner suburban location, but with beautiful nature and parklands at our doorstep. For those who love a stroll in nature, Don Reserve is just a short drive away: a bushland reserve with walking tracks near the Don River. Or, if you prefer to relax and take it easy, you'll find someplace cosy right here at our community.

Cost of Accommodation

1. Rooms and Funding

From 1 October 2025, the Maximum Permissible Interest Rate (MPIR) is 7.61%. Based on an assessment of your income and assets, you may be eligible for assistance with your accommodation payment. The Australian Government may pay for part of your accommodation costs. Further information will be available on the My Aged Care website - www.myagedcare.gov.au.

Residents can choose to pay for their accommodation by a refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of both. A refundable deposit is paid as a lump sum amount. A daily payment accrues daily and is paid periodically, for example fortnightly. A combination payment includes both a partial lump sum and daily payments

2. Basic daily fee

The basic daily fee is payable by all residents and is set by the Commonwealth. This fee covers day-to-day living costs such as meals, cleaning, laundry and electricity. All residents are required to pay this fee when moving into Residential Care. It is 85% of the single aged pension and is increased twice a year by Services Australia. In some cases, this may be the only fee you are required to pay. It is currently \$65.55 per day and is indexed each March and September.

Cost of Accommodation

3. Accommodation Payment

This covers the cost of your accommodation in Residential Care. Some people will have this covered in full or partially by the Government, while others will be required to pay the agreed amount in the key feature statement issued by Baptcare.

If you are required to pay an Accommodation Payment, there are 4 different ways you can contribute:

1. Lump-sum 'Refundable Accommodation Deposit'

(RAD) – This is a lump-sum payment which will be refunded when you leave the centre (less the RAD retention calculated and any fees owing).

2. Daily Accommodation Payment (DAP) – This is like a rental style daily payment. The DAP is calculated by the interest on the unpaid RAD amount. Just like rent, there will be no refund when you leave the facility. When you enter care you will be asked to pay the DAP amount until you decide which option to pay the Accommodation Payment.

3. Combination of both a Lump-sum 'Refundable Accommodation Deposit' (RAD) and Daily Accommodation Payment (DAP)

– This accommodation option allows you to pay a partial lump-sum amount which will reduce the Daily Accommodation Payment.

4. Combination of Lump Sum Refundable Accommodation Deposit (RAD), variable Daily Accommodation Payment (DAP), with the DAP drawn down from the agreed lump sum. This option allows you to have your DAP deducted from your lump sum, reducing the amount available for refund when you leave.

All residents have up to 28 days after date of entry to decide how they would like to pay their Accommodation Payment. During this 28 day decision period, the DAP is payable.

4. Non-Clinical Care Contribution

Residents may be required to pay towards their care through a Non-Clinical Care Contribution (NCCC). This amount is calculated by Services Australia which has an annual and lifetime cap and is done through the government's income and asset assessment process.

This fee will be applied from date of entry and you will be advised the amount by Services Australia. Services Australia also conducts quarterly reviews and may adjust your Non-Clinical Care Contribution if your circumstances have changed during the last quarter. The NCCC, if payable, currently ranges from \$0.00 to \$105.30 per day.

5. Hotelling Supplement Fee

The Hotelling Supplement is payable by some residents and is calculated by Services Australia based on your income and assets. The Hotelling Supplement helps cover everyday living costs such as meals, cleaning, laundry and utilities. It is means-tested, with residents above certain thresholds contributing partly or fully. The fee is indexed annually on 20 September, based on advice from the Independent Health and Aged Care Pricing Authority (IHACPA). If payable, it currently ranges from \$0.00 to \$22.15 per day.

6. Higher Everyday Living Fee

This home offers higher everyday living services (HELF), known as our EverydayPlus program. Please refer to the EverydayPlus brochure or talk to our team for more information.
