A warm community surrounded by natural beauty

With lush natural surroundings and a peaceful atmosphere, Baptcare Brookview provides the relaxing 'go-your-own-pace' feel of country life with all the convenience of inner suburban living.

Wake up to the fresh scent of gumtrees every morning while overlooking Yuroke Creek and Broadmeadows Valley Trail. Spot families of kangaroos bouncing around at dusk and dawn, just beyond the limits of our landscaped grounds—the perfect spot for relaxing with your own family.

You'll find Baptcare Brookview nestled between Jacana, Attwood, and Gladstone Park, just a 5-minute drive from local cafes, shops, and the Broadmeadows Central Mall.

We're a thriving community at Brookview

At Brookview, we know exceptional care is different for everyone. That's why our approach is holistic and all about your personal preferences: to support your independence, choice and lifestyle. We call it 'Living Well Together'.

You'll have access to the high-quality care you need, and support to do whatever special things make life meaningful and purposeful for you.

Everyone is different, and everyone is welcome.

That's part of the reason why people say Brookview feels like a big family. With residents from over 20 different countries and cultures, we proudly celebrate everyone who calls Brookview home.

Live well, your way

Living well looks different for everybody. ✨

Whatever you love to do—whatever makes your day and makes life meaningful—we're here to make it happen.

Some of the hobbies and activities we support residents with:

- Illustration, arts, and painting: some residents have dedicated gallery spaces where they love to work and create art.
- Gardening in your own dedicated flower bed: creating and painting decorative mushroom sculptures is a current favourite for many residents!
- Enjoying your favourite music: resident Jeanette loves Adele's signing—"her lyrics have the gift of putting my life into words". We organised a CD player with all of Adele's back catalogue for Joan's daily music therapy.
- Playing instruments: resident Paul is a classically trained pianist. We organised a keyboard so he can play for other residents and share his gift.
- Weekly singalongs from the '40s, '50s, and '60s where we reminisce and celebrate each other's stories: when we sing 'Tears on my pillow' by Little Anthony, we might bond over shared break-up stories. When it's Louis Armstrong's 'What a wonderful world', we share our most beautiful memories.

“I am so so happy here. It’s because of this place that I am alive.”

Spacious community room

A bright and airy space for activities, gatherings, or catching up over a cuppa. With a coffee machine, café tables and lounge chairs, it's the perfect place to catch up with your favourite people.

Courtyards and garden

Much-loved peaceful spaces, these are all enclosed and safe for residents to meander independently or sit quietly on benches. If you have a green thumb, you'll be encouraged and supported to plant and care for your gardens.

Library nook for nature watching

A cozy, quiet lounge space overlooks the gorgeous nature reserve and river. It's great for birdwatching and boasts a large selection of books and talking book for avid readers.

Chapel and activities room

Our large, spacious chapel features wrap-around windows looking out over a gorgeous nature reserve. This space is used for concerts, activities, sing alongs and special events, like Anzac Day. Our spiritual care team can assist with prayer, worship, sacraments and other forms of spiritual devotion.

Cosy kitchenettes

With many kitchenettes dotted around our home, you'll find a cosy nook to catch up in. And the best part? You can keep food from friends and family in a communal fridge space: to store those home cooked meals from family on special occasions.

Dining rooms and social areas

Each of our four wings contains an intimate dining and lounge area. These areas uniquely designed for close-knit catch ups between friends, and meal time is always a highly social occasion that we all look forward to. There's nothing better than catching up over a delicious lunch or dinner!

“When I lived at home I just sat and had nothing to do but now I have company. I have made lots of friends.”

We have over 80 years' experience

We've spent the better part of a century listening to and meeting the needs of older people. Today, we offer a range of aged care services – including home care, residential aged care, respite care, and retirement living – as well as support services such as nursing and allied health, day therapy centres, short-term respite centres and social activities so you can be assured Baptcare will provide care in a way that's right for each and every individual journey.

We appreciate that everyone is different

Our services are based on an individualised model of care, which means our clients determine how much of a presence they want us to be in their lives.
