About Peninsula View

BaptistCare Peninsula View is a warm and welcoming aged care community on the peaceful fringes of Frankston and Mount Eliza.

Residents enjoy fresh coastal air and sunshine each day, with sweeping views of the Moorooduc Plains and the Frankston Nature Conservation Reserve. Lush gardens, native birds and tranquil courtyards create a calming place to relax with family and friends.

Inside, the home is filled with friendly faces, genuine connection and a comforting sense of belonging. Residents are encouraged to personalise their rooms with favourite pieces that make their space feel just right.

Recently refurbished throughout, Peninsula View offers a bright, beautifully maintained environment where comfort, independence and wellbeing are at the heart of daily life.

Costs and funding

Based on an assessment of your income and assets, you may be eligible for assistance with your accommodation payment. The Australian Government may pay for part of your accommodation costs. Further information will be available on the My Aged Care website www.myagedcare.gov.au.

Residents can choose to pay for their accommodation by a refundable accommodation deposit (RAD), a daily accommodation payment (DAP), or a combination of both. A refundable deposit is paid as a lump sum amount.

A combination payment includes both a partial lump sum and daily payments.

Basic daily fee

The basic daily fee is set by the Australian Government. For some people, this is the only fee they are required to pay.

Higher everyday living fee

This home offers higher everyday living services, known as our EverydayPlus program. Please refer to the EverydayPlus brochure or talk to our team for more information.

Non-Clinical Care Contribution

Residents may be required to pay towards their care through a Non-Clinical Care Contribution (NCCC). This amount is calculated by Services Australia, which has an annual and lifetime cap and is done through the government's income and asset assessment process.

This fee will be applied from the date of entry, and you will be advised the amount by Services Australia. Services Australia also conducts quarterly reviews and may adjust your Non-Clinical Care Contribution if your circumstances have changed during the last quarter.

Hotelling supplement fee

The Hotelling Supplement is payable by some residents and is calculated by Services Australia based on your income and assets.

The Hotelling Supplement helps cover everyday living costs such as meals, cleaning, laundry and utilities. It is means-tested, with residents above certain thresholds contributing partly or fully.

The fee is indexed annually on 20 September, based on advice from the Independent Health and Aged Care Pricing Authority (IHACPA).
